

Gerald Grain Center 2024 Wheat 2.0 Program Details

Purchase and use a qualifying wheat fungicide product from Gerald Grain Center Agronomy in Ridgeville Corners and receive a deferred payment on fungicide & application until August 10, 2024

After you harvest and deliver your wheat to any Gerald Grain Center Facility, you will receive a \$0.05 premium

If you have a test weight of 60 to 60.9 you will get an additional \$0.01 premium

If your wheat has a test weight of 61 & over you will receive a \$0.02 premium

Growers must spray 100% of their wheat acres to be enrolled in the program
