

# Dairy Risk Management Meeting

## Dairy & Feed Market Update

## A Common Sense Approach to Margin Management

*A common sense approach to margin management is **more** about managing your money and considering goals for your whole enterprise and **less** about being right or wrong (picking bottoms in feed and tops in milk). Learn about the tools available to you to manage your risk with a common sense approach.*

*Meetings will be made up of small groups of progressive dairy producers. Following presentations, we will open the floor to questions and discussion, hoping to stimulate meaningful and educational discussion amongst producers and presenters.*

**Bryan Crane**, Senior Manager Feed/Winfield Commodity Risk & LOL Energy

**Adam Cardwell**, Expert Risk Management Specialist, Member Relations

### **Zoom Meetings**

2:00 p.m. to 4:00 p.m.

Wednesday, January 20

Wednesday, January 27

Wednesday, February 10

Wednesday, February 17

1 ½ hour of presentations and ½ hour of questions and discussion.

The same topics will be covered at each meeting.

Contact Bernice Van Hulzen (507-215-3855), Ed Jumbeck (712-470-5473), or Cory De Wit (712-439-2831) for more information and a Zoom meeting link to participate.
