BETTER RETENTION LONGER PROTECTION

UNITED RED MAX GREASE

Get longer lasting protection through better grease retention with United Red Max. This grease is engineered with a unique additive package containing a tackifier to stay in place longer for your tougher, heavier-loaded and wet conditions. In conjunction, United Red Max will protect wheel-bearings and chassis elements while meeting the highest NLGI performance level: NLGI GC-LB.

WHAT ELSE CAN YOU EXPECT?

- Superior shock load carrying capability and protection against wear
- Excellent resistance to water washout
- Extended lubricating performance under vibrating and oscillating working conditions
- High-temperature dropping point
- Good pumpability in wide temperature ranges
- EP/AW-fortified, NLGI No. 2 grease
