2018 Winter Seminar Speakers

Aaron Hood ***Silveus Insurance***

Aaron earned a Bachelor of Science degree in Accounting and Business Administration from Grace College located in Winona Lake, Indiana in May of 2004. It was before graduating, however, when Aaron began his process into the crop insurance industry. Aaron worked as an intern for Woolman Financial Group of Warsaw, IN as a junior in college. Woolman Financial Group specializes in financial planning for individuals and families. During his internship, Aaron developed a strong passion for helping people understand the “bigger” financial picture. He decided to try things out at Silveus the next year.

Aaron earned his Property and Casualty license in December of 2002 and began an internship with Silveus Insurance Group throughout the next sales season. Aaron realized that he was really making a difference for the American farmer after his first year with Silveus. Aaron is now in his 12th year with the agency and has over 70 clients throughout the Midwest, ranging from Eastern Nebraska to Western Ohio. He lives in Warsaw with his wife Treasure and their three children, Gavin, Garrett and Lena.

Listen to Aaron speak about recent developments and new twists in crop insurance, at the Brugler Marketing Winter Seminars in Dayton, OH on February 19-20 and in Omaha, NE on February 22-23!
