**PRODUCER INFORMATION FORM - Page 3**

The information on this page is OPTIONAL and allows a producer to have one customer account while maintaining separate production and settlement records for each farm. In order for AGrowStar to maintain your farm production, the farm number must be presented at the time of delivery for each load.

Farm ASCS Number	Name of Farm	Name of Landowner
If production on this farm is to be automatically split between two or more producers, please provide the names of the other producer(s) and the percent of the bushels that they should receive.
