

Pro-Ag COVID-19 Information:

Access is being limited at all Pro-Ag locations and we plan to eliminate any walk-in traffic. Our staff is available via phone, text or email to serve your needs at this time. For our Retail Stores, please call ahead and they can get products ready for you ahead of time and bring them out to your vehicles for you.

As a company we value your business, however we want to follow the CDC Guidelines and limit exposure to our staff, so they can continue to serve you, our customers!

Feed & Propane Deliveries:

Propane & Feed deliveries are still occurring, we ask that you adhere to the 6-foot distancing guidelines set out by the CDC while they are making these deliveries for everyone's safety during these times.

Propane Customers questions can be directed to Justin Newberg at our Henning Location at 218-583-2947 or 1-888-749-0192.
