

## CERTIFICATE OF COMPLIANCE

|                              |                                                                                                                 |
|------------------------------|-----------------------------------------------------------------------------------------------------------------|
| <b>Company Name</b>          | Star of the West Milling Co                                                                                     |
| <b>ID Number</b>             | 122949                                                                                                          |
| <b>Brand Name(s)</b>         | Star of the West Milling Co.                                                                                    |
| <b>Type of Operation</b>     | Brand Owner                                                                                                     |
| <b>Required Renewal Date</b> | 3/12/2019                                                                                                       |
| <b>Products Included</b>     | For a list of currently verified products, see <a href="http://www.nongmoproject.org">www.nongmoproject.org</a> |

The above-name Participant has achieved Non-GMO Project verified status for at least one of its products. Compliance of this Participant's products with the Non-GMO Project Standard is determined through a document-based evaluation and, when required, on site inspection of production facilities. The holder of this certificate warrants that its verified products will remain in full compliance with the terms and conditions of the Non-GMO Project Product Verification Program and the Non-GMO Project Standard.

Verification is subject to annual renewal and valid until surrendered, suspended or revoked.
