

There seems to be an increase in the number of days it takes the postal service for delivery of the mail. Star of the West Milling Co. offers direct deposit (ACH) as a preferred form of payment. ACH is preferred because it eliminates mail time and lost checks. Payments are considered good funds to you the same day your bank receives the money. Receiving payments via ACH offers faster, more secured payments. Star of the West Milling Co. will transmit the funds to you and use a paper confirmation separate from the electronic payment. This paper confirmation is virtually a check stub detailing payment information. You have the option of receiving this confirmation via mail or fax or email.

Please fill out the form on the back side of this note. You may mail, fax or email it back to us. If you have any questions, please call 989-652-7022.

Sincerely,

STAR OF THE WEST MILLING CO.
