

2021 IP SOYBEAN PROGRAM

CANARASKA GRAIN

COMMITTED TO AGRICULTURE

Plant based proteins have been gaining popularity for a number of years. If you're interested in trying something new or needing somewhere for your IP beans to go, we are offering a limited run IP program for the 2021 growing season. This is a moderately sized pilot project w a \$2.45/bu premium on conventional soybean prices w seed purchased from & grain delivered to us. Call us at 905-753-2242 to book your seed and make your commitment.

STRIVE SEED PRICES (per 50lb bag): *UNTREATED*; \$32.50 - *TREATED w EVERGOL*; \$37.00 - *TREATED w EVERGOL & Inoculant*; \$41.50
