- Old crop grain must be priced by August 31, 2017. A new minimum charge with a 10¢ carry over fee will be assessed beginning September 1, 2017 on any unpriced bushels.
- Drying and storage will be billed and due by January 31, 2018 on new and old crop grain. A finance charge of 1½ % per month will be assessed beginning February 1, 2018 until the account is paid.
- Grain not sold within 7 days after the start of delivery will be automatically put into storage. This will be computed on a load by load basis.
- All rates subject to change without notice.
