2017 HARVEST RATES AND POLICIES

Tremont and Adwell

REMINDERS:

Your scale ticket is still the key to all grain business conducted so please keep your tickets until final settlement is made.

IT IS YOUR RESPONSIBILITY TO NOTIFY SCALE ATTENDANT of the disposition of your grain; eg. storage, contract, open market, or price later. We also need to know how it is to be split if multiple customers are involved. **Farm codes are required at the scale;** please help us stay efficient during harvest and use the code(s) that we have provided. All this information is needed to properly process your tickets. Please also notify us when you have delivered the **last load** for a particular settlement sheet. Your continued cooperation in these matters is greatly appreciated and helps us serve you better.

Grain delivered to be sold for open market prices will be priced at the current day's price up to **3 P.M.** Grain delivered after **3 P.M.** will be priced on the next day's business.

***** PRICE LATER POLICY *** The ILLINOIS GRAIN CODE requires us to PRICE YOUR GRAIN if your PRICE LATER CONTRACT IS NOT SIGNED WITHIN 30 DAYS OF DELIVERY. WE WILL ENFORCE THIS.**

GENERAL POLICIES:

Handling Charges	10¢ per bushel charge if hauling stored grain out.
Storage Payment	Storage charges will be deducted at time of sale of stored grain, unless Warehouse Receipts are needed for government loans in which case 9 months storage has to be paid before issuance of Warehouse Receipts. See also Held Over Grain below.
Price Later Payment	Price Later charges will be deducted at time of sale of Price Later grain. Price Later Grain is not eligible to be Warehouse Receipted. See also Held Over Grain below.
Drying Payment	Drying charges will be deducted from grain sold during harvest on individual settlement sheets. Drying charges on stored and Price Later grain will be billed by the Co-op and payment will be due by November 15, 2017.
Deferred Payment	If you wish to defer the payment of your grain until January 2018, please let us know BEFORE your grain is delivered to protect yourself. We have the necessary forms available for your convenience. Per IRS ruling this decision must be made at time of contract and before delivery of grain.
Contract Shortage	As soon as you realize you will be unable to fill a contract please contact us to arrange terms to buy back the contract.
Held Over Grain	All corn and soybeans remaining in storage and Price Later after August 31, 2018 may, if management decides space needs warrant it, be charged a 10 (ten) cent surcharge in addition to a new minimum on September 01, 2018. Additionally, unsold corn and soybeans will have all accrued storage or price later charges billed and those charges will be due on September 15, 2018.

* PLEASE NOTIFY ELEVATOR PRIOR TO DELIVERY IF YOU HAVE EXPENSES TO WITHHOLD *
