Cooper Farms Grain Newsletter

PC: clipartmag.com

Welcome!

The purpose of a newsletter is to provide our producers with some insight and updates of things happening in the grain purchasing division of Cooper Farms. We believe now, more than ever, open communication is necessary to keep everyone safe and healthy. This is our first newsletter, so please bear with us, but we hope you enjoy our publication. We are always looking for feedback, so please share your opinions and ideas!

COVID-19 Update

We know everyone is facing a very unprecedented time, with the COVID-19 pandemic. Cooper Farms is trying to do there part in stopping the spread of the coronavirus. Many mandates have been put in place at each of our mills to protect the health of our team members and everyone else. We are no longer having visitors, meetings, or any non team members in the offices. No one will be able to utilize the restrooms, but portable bathrooms have been placed outside the mills. When a truck driver delivers a load, he/she must remain outside the building. Please either remain in the truck or go to the window by the receiving scales to have your information put into our system. The scale operator will let you when you are able to drive off the scale. After unloading, the driver is to pull around the mill back onto the scale. Then, proceed to the window to get your scale ticket. If you were weighed on the scale, please remain there until notified. Thank you for your understanding.

INTL FCStone Online Meeting

Bailey Elchinger from INTL FCStone planned to present at our Grain Outlook Meeting on March 30th. Due to the coronavirus, the meeting has been cancelled. However, Bailey has agreed to do an online outlook meeting for our producers. If you are interested in viewing this meeting, please email us and we would be happy to send you the link. Email markl@cooperfarms.com or lindseyl@cooperfarms.com

Grain Survey

Here at Cooper Farms, we are looking for insight on how to better communicate with our producers. We have created a survey asking questions on how we can be more marketable. Please follow this link: <https://www.surveymonkey.com/r/GGYCVBT> to complete the survey. It should only take 5 minutes of your time. As a token on appreciation for those who complete the survey, there will be a chance for you to win gift cards to local stores and restaurants. If you have any questions or issues, please contact us! Thanks for your support!
