Hello!

Welcome to the month of November. Hopefully farmers are wrapping up harvest and have had a bountiful season. Cooper Farms would also like to take this time and wish everyone a Happy Thanksgiving. We know this year has not gone as expected, but there is still so much to be thankful for. Please take time to count your blessings and remember those who are still struggling. Your local community could really use your support this holiday season, so please consider donating goods to those in need. Every year, Cooper Farms is fortunate enough to be able to donate around 4,000 pounds of Cooper quality turkey meat, plus other goodies. This has been a tradition of the Cooper family since the first farm was founded.

Name: Dennis Garke

Title: Feed Mill Manager

Location: Ft. Recovery (North Mill)

Years at Coopers: 33 years

Favorite Thing(s) about Cooper Farms: Mine is more a memory. I was able to work with a large group of people to help build the new feed mill (North Mill). We had many challenges to work around and everyone pulled together to find a solution. I felt honored to be apart of this group and be able to create something that is useful/beneficial to Cooper Farms.
