| Additional quality requirements |
|--|
| Heat Damage: 2.0 cents/bu for each ½ of 1% over 0.5%. Over 5.0% subject to rejection. |
| Aflatoxin/Vomitoxin/other toxins: Over 0 subject to rejection. Contact Nugen prior to delivery if toxins are suspected. |
| Milo that is musty, sour, infested, or contains a commercially objectionable foreign odor is subject to rejection. If accepted discount will be at least 10 cents/bushel. |
| Loads containing animal refuse, stones, glass, or other commercially undesirable foreign material will be rejected. Loads containing snow, ice, or large chunks of grain that do not break up are subject to rejection. If accepted discount may be up to 20 cents/bushel. |
| Any load with above .5% of other grains or soybeans is subject to rejection. If accepted discount will be .6 cents per 1/10th of 1% over .2%. |
| Each load is graded and discounted on its own merit. No averaging. |
| We reserve the right to reject any load for unacceptable quality. We may retain samples of questionable grain and have them submitted for official grades from a grain inspection agency. These grades will supersede our initial grades |
