

As a leader in agriculture we provide unparalleled customer service and innovative products to meet our customers Agronomy, Energy, Feed and Grain needs. Viafield's 18 locations serve customers throughout northern Iowa and southern Minnesota. Viafield's valued team members are part of a progressive organization providing an attractive total compensation package, career advancement, and a team orientated work environment.

Position Description

Fall harvest will be in full swing soon and Viafield needs extra help working in our Agronomy and Grain Operations. These team members are here to service our customers across our territory through hauling fertilizer and anhydrous, loading and dumping grain and running the scale from inside the office.

Viafield expects the ideal applicant to be a reliable communicator with a positive attitude and a willingness to be a part of what it takes to get the job done in a timely, safe, and accurate manner for smooth operations. Viafield's team members profoundly affect the organizations success, so it is essential to deliver on our vision to be the trusted advisor to our customers.

We are committed to be the full-service provider of choice enhancing the success of our customers, team and communities.

Required Qualifications

- Must have or be willing to acquire a CDL with HazMat/Tanker endorsements for Agronomy Operations
- Temporary CDL covers the Grain/Tender truck positions
- Ability to climb and transport up to 75 pounds
- Extended hours available
- Outside work environment include working at high levels, dust and extreme weather conditions

Those interested in applying should email or mail cover letter and resume to:
