HI OLEIC

Hi Oleic sunflowers will be taken at Jamestown

Cash or Contract Only

- OPEN STORAGE is not available
- Any bushels not sold or contracted will be placed on Price Later Contracts
- Price Later Contract
 - Grain priced within 15 days of delivery will have no service charge
 - Grain priced after 15 days of delivery will have a service fee of \$0.05/cwt/month calculated from the unload date until sold
 - Flowers must be priced by March 1st, 2017. Flowers not priced by that date will be priced at the closing price on March 1st, 2017

***Prior to unloading sunflowers, please contact the driver/producer to find out whether the sunflowers are Nu Suns or Hi Oleic.** Hi Oleic sunflowers must be segregated from Nu Suns in order to receive the premium for Hi Oleic sunflowers. If the producer does not know which type of sunflowers they have dump them as Nu Suns and they will be priced as Nu Suns.
