

Welcome to

Fostoria Grain

Notes:

Please enter our facility from the southwest corner off West Fourth Street, and proceed east towards the probe station. Be sure your tarp is open and stop once signaled. Once probed and the signal changes, proceed to the Probe House and stop at the window to receive your pit assignment. Proceed to your assigned pit, and pull through the pit onto the scales. Once signaled, reverse into the pit and dump. Once empty, pull back onto the scales and retrieve your scale ticket. Upon retrieval of your scale ticket, you may exit our facility towards West Fourth Street. Thank you for visiting, and for your support of Legacy Farmers Cooperative.
