

Welcome to

McComb Grain

Notes:

Please enter our facility from North Todd Street and proceed westbound towards the scales. Be sure your tarp is open and stop once you are on the scale. Once your gross weight and a sample for grading has been secured, you will be given a pit assignment. When you hear the buzzer twice, proceed westbound towards the pits. Once empty, proceed around the bins and head back towards the scales, eastbound. When you hear the buzzer twice, you may pull off the scale and come into the office to retrieve your scale ticket. Upon retrieval of your scale ticket, you may exit our facility onto North Todd Street. Thank you for visiting, and for your continued support of Legacy Farmers Cooperative.
