Breakfast With Jesus

The disciples experienced great disappointment when Jesus died. Have you ever been greatly disappointed by God? Has God ever done something in your life that you find impossible to understand? Something that leaves you standing in your confusion saying “Why, God, why?” Something that dashes your hopes and dream? The disciples’ hopes and dreams died with Jesus’ crucifixion. What did they do in their dejected state? They went back to what they knew...fishing. Isn’t that how we all are? We tend to go to the thing that we are comfortable and familiar with in order to soothe our pain. Meanwhile, the living victorious Christ is calling out to us from the shore... Come to me, all who are weary and heavy laden and I will give you rest. Lean on My strong arms, use My strength when yours is gone.

There is a scene in the Bible that brings this to life in John 21. The close friends of Jesus, those who trusted Him, are lost in their sadness after the crucifixion. They seek to soothe their pain with an old familiar activity - fishing. Ironically, the exact thing that Jesus called them away from to follow him three years earlier. They fished all night and caught nothing. Then on the shore someone is calling out to them. They do not recognize that it is Jesus until he performs a familiar miracle. An impossible amount of fish are suddenly in their net! Peter, realizing it is Jesus, cannot wait to be by his side and he plunges into the water to swim to the shore where his dear friend waits for him. At the shore Jesus says to come and eat. Jesus is waiting not only with food but with forgiveness for Peter (and you). He is waiting with restoration for Peter (and you). What a sweet savior. He invites us to sit and eat with him too. Spiritual food that satisfies in a miraculous way. He longs to nourish and heal our wounded souls with His power, mercy, and love. He uses a

“charcoal fire” for breakfast. There are only two verses in the bible that mention a charcoal fire for breakfast. It was near a charcoal fire in the high priest’s courtyard (John 18:18) that Peter hit rock bottom and denied Christ three times. This time, it is on the shore of the lake where Peter had retreated to nurse his wounds. This time, Jesus calls Peter to the charcoal fire to show him His divine mercy. Following breakfast, Jesus allows Peter to vocalize his love for Him...three times! What a compassionate wonderful Savior! This band of failures was being revived for a mission. Amazing! In a loving way Jesus was communicating to his friends. I still have plans for you, and it’s not fishing, it’s bigger than your pain right now. He says the same to each one of us today. I have a plan for you regardless of the situation that is swirling around you.

Recognize you have been fishing all night and came up short. All of our striving, planning, and scheming, all of the ways in which we think we are smarter than God leaves us empty like that boat. But Jesus is ready to forgive and fill us up with his love and power... like that boat full of fish.

May God fill you with a fresh faith, revive your spirit, and plunge you into his forgiveness just as Peter plunged into the water. Do not wait. Go now. The God of the Universe, who has every right to pass you by, has decided not to! He is calling your name. He is inviting you to breakfast. He has prepared, especially for you, spiritual food to nourish your soul!

Please hurry to be with Jesus today over a cup of coffee or tea and your Bible, and allow him to restore and revive you. Allow him to heal your pain. And when you have been refreshed, He will give you a call to go and expand His kingdom today! May it be done!

New Sermon Series: The Resurrected Life

Jesus is Alive! So what? What difference might it make in your life that Jesus did not remain in that tomb? Join us for this post-Easter weekend sermon series beginning April 15/16 based on 1 Corinthians called “The Resurrected Life” where we discover the meaning and richness of a life remade by the living Jesus.

STEWARDSHIP

Our Best Intentions

Recently I had an interest to get more involved with our church, but I didn’t know how. One day a friend came to me asking if I would be interested in joining the stewardship team. Not knowing what I was really getting involved in, I still decided to give it a try. I was just thinking it involved money because, like many of you, every time I heard anything about stewardship at church, I just thought, “Here we go again. The church is asking for money.” But I know that is important because, of course, a church needs money to grow and keep it running.

One day recently I decided to do some research on how I could help more with the stewardship team. What I found changed everything I thought stewardship was.

Stewards are managers. In church, stewards manage everything God owns. A simple understanding of stewardship is:

1. God owns it all
2. We are all stewards
3. We have a responsibility to manage everything God owns

After learning this, my eyes have opened. I started thinking, am I was a good steward? How can I be a good manager if I never read the Bible and never was made to read

the instructions that God has made out for us to be a good steward. I go to church mostly every Sunday and attend Bible studies at times, and now I am thinking is it enough? I should know more about God and the Bible, but how? Every time I start reading the Bible, I get distracted or just get bored reading it because it’s hard to understand.

One night I was listening to a sermon online just trying to get some understanding and I received the

answer I needed to hear. The speaker was talking about technology today and how it makes it easy to get distracted more than ever but what if we use that technology to help us grow deeper and stronger in faith in God. He was talking about how hard it is to read the Bible but how important it is. He talked about an application called “Read Scripture”. It is an app that will take about 20 minutes a day to read the Bible, and they also have videos to help describe in detail what it is talking about. If you did this everyday all

year, then you would have read the entire Bible. Only 20 minutes a day. And I know how hard even that can be but let’s think about it. How long do you spend your time watching TV or on social media each day? If your parents or children wanted you to spend only 20 minutes a day with just them and nobody else, would you do it? So why not give 20 minutes every day to our Father in heaven who made sure we had a book that spoke all of His truths and stories so we can learn and grow from them?

To be good managers of everything that God owns is a great step in learning from the Book He provided us. So today I ask all the members and whoever you can invite to join me in this journey to learn the Bible. Like many of you, you may have never read it cover to cover, but we can all push each other to learn, read, and grow in His good word so that we all can be better stewards in our lives.

Let’s bring God in our lives not just on Sunday but every day. I would love to hear from you if you decided to go on this journey with me or if you have questions.

In Christ,

Thoughts on Outreach Ministry

Kids against Hunger is a nonprofit organization with the mission to significantly reduce the number of hungry children in the United States and to feed starving children throughout the world. This is achieved by getting volunteers involved and setting up food packaging satellites in the USA.

St Michael has been involved with the program for many years. We started out at 10,000 meals and last year packaged over 30,000 meals

The unplanned but very real beneficiaries of the Kids Against Hunger program are the volunteers who package the food and contribute for the cost of the product. We have members from young children to seniors that have helped us in the past.

Each bag of food contains dehydrated food which when prepared

will feed eight children. Kids Against Hunger life-saving meals have a shelf life of at least three years. The bags, when completed and boxed, are sent to Open Door Ministries here in Canton for distribution.

I was very fortunate to both help put these meals together at St. Michael Lutheran Church and also then to distribute them to poor families when I was on a mission trip in Guatemala last September.

The date for this year's Kids Against Hunger event is Saturday, May 5 at 9:30am. Envelopes will be available to donate money, and a signup sheet will be posted to donate your time.

Volunteering on an outreach ministry will be a blessing to you as it has been to me.

Judy Cannizzaro

Kids Against Hunger

On May 5 at 9:30am, St. Michael will again be packaging nutritious, dehydrated food packets to help meet the needs of the poor and hungry. This is the 8th year our church has sponsored this exciting and fun outreach event. Last year people of all ages helped package over 30,000 meals in just over two hours.

There are three ways you can support Kids Against Hunger. First of all, pray for those who need this food and for the event. Secondly, volunteer to be part of the over 150 helpers which are needed. Thirdly, make a personal donation to help cover the cost of the food products.

Look for the volunteer sign-up sheet and offering envelopes on the Parish Life board in the lobby.

Mission Trip Envelopes Project

Help support upcoming mission trips! Select an envelope from the Pastor's Board, fill it with the suggested amount, and return it to the offering plate or church office. This year, Michelle and Dave Snyder are going to Romania in May, and the Youth are going to Portland, Maine this summer. Thank you for supporting this important work for the kingdom.

Due to the generous hearts of an anonymous St. Michael Lutheran church couple, seed money has been provided for a challenge grant in the area of evangelism outreach. **Between now and April 31, every dollar donated to the St. Michael Lutheran Evangelism Challenge Grant will be matched dollar for dollar up to \$3,000 in total.** All donated monies and matched monies will be used to support evangelism and marketing

Evangelism Challenge

efforts into our community to increase awareness of our ministry and by the power of the Holy Spirit connect people to the Living God. Checks may be made out to St. Michael Lutheran Church and marked on the memo line or envelope "Evangelism Challenge Grant". Any questions, please contact Pr. Dave. Thanks for your prayerful consideration of this opportunity!

York Moore to Speak at St. Michael

York Moore, author of *Growing Your Faith by Giving it Away* and frequently sought after international speaker for InterVarsity Christian Fellowship will be here at St. Michael at the end of April.

York came to faith at the University of Michigan as an Atheist philosophy honors student after a miraculous

encounter with Jesus during an attempted suicide on Christmas Eve of 1989. Since his conversion, York has shared Jesus all over the world and has helped lead InterVarsity Christian Fellowship in doubling the number of students coming to faith in Jesus over the last 10 years in the U.S. York will

be here to share his experiences with us, and inspire and train us to be more effective witnesses for Christ.

Join us for brunch Saturday, April 28 from 9:30am-12:30pm for this event which is for everyone who might like to see those they love come to know Jesus.

National Day of Prayer - A Call to Fast and Pray

I'm asking the body of Christ, including the people of our church, to join me Thursday, May 3, on the National Day of Prayer, to set aside that day for fasting and prayers for unity for America and to seek God's heart for our nation.

Fasting is abstinence from food or drink. I've chose to fast from sunrise to sunset drinking water only.

Fasting is a weapon against the enemy, intimacy with God, and being more sensitive to hear the voice of God.

If you break the fast and eat before sunset, don't worry—it can be done another time. If taking medication or under a doctors care, call your doctor and ask if you can fast, then still remember to pray. The Sanctu-

ary will be open specifically for this event from noon to 1:00pm. We will gather for a time of prayer and worship.

Praying: 2 Chronicles 7:14

Fasting: Isaiah 58, Matthew 6:16, Joel 2:12

Book: Fasting by Jentezen Franklin

~ Joyce Hopkins

2018 National Day of Prayer

The National Day of Prayer was created in 1952 by a joint resolution of Congress, and signed into law by President Harry S. Truman. In 1988, the law was unanimously amended by both the House and the Senate and signed into law by President Ronald Reagan on Thursday, May 5, 1988, designating the first Thursday of May as a day of national prayer. Every president since 1952 has signed a National Day of Prayer proclamation.

Prayer brings people together. Prayer builds bridges between opposing persons and even political parties. Prayer reminds us that we are created in God's image and He desires for us to represent Him everywhere we go. Prayer brings UNITY. In 2018, our theme will be **Pray for America - UNITY**, based upon Ephesians 4:3 which challenges us to mobilize unified public prayer for America, *"Making every effort to keep the unity of the Spirit through the bond of peace."*

"Fasting and prayer are religious exercises; the enjoining them an act of discipline. Every religious society has a right to determine for itself the time for these exercises, and the objects proper for them, according to their own particular tenets; and right can never be safer than in their hands, where the Constitution has deposited it."

Camp Arcadia Women's Retreats

Camp Arcadia, up north, on beautiful Lake Michigan is offering two women's retreats this fall. The retreats offered this year are:

Women's Retreat 1 – Sept. 14-16, 2018 – theme: "Doors into Prayer" with Connie Denninger. This weekend's keynote, Connie, focuses on prayer including doable, accountable, and fun prayer processes to keep you going.

Scott Reed to begin as Lay Pastor of Invitation and Connection in April

The Search team is excited to introduce Scott Reed as the new Lay Pastor of Invitation and Connection at St. Michael. Scott comes to us from Monroe Christian Church where he was Lead Pastor of the small congregation for the last 2½ years. Scott received his Bachelor's degree in Theology and Arts from Ozark Christian College in May of 2015. Scott married his wife Kendra in 2014. Last November, they were blessed with a daughter, Lydia Grace. The Search team has found Scott to be very personable and genuine, with a passion to bring the saving message of Jesus to the unchurched. Scott was recommended by the Search

committee to fill the open position. The Executive Board confirmed the recommendation at its March 6 meeting.

Scott will start at St. Michael on April 9 and is scheduled to preach April 14 & 15 at all services. A welcome reception will be held in the lobby before the Saturday service and after each of the services on Sunday. Please join us in welcoming Scott, Kendra and Lydia to the SMLC family! We give thanks to God for His guidance throughout the search process and for leading us to Scott.

We have a wonderful team of people, but there is room for a few more. Our goal is to provide events and programs that encourage spiritual life by creating opportunities to connect to others in our family of believers. We also desire to create comfortable, casual, fun environ-

ment so that you feel good about inviting friends and neighbors to events.

If you are interested or have any questions about what we do, please call the church at 734-459-3333. We meet approximately once a month for organizational reasons.
