

# MICHELLE DIAMOND

**MSW, RSW**

*Director, Case Management & Client Services, Functionability Rehabilitation Services*

Michelle Diamond is the Director of Case Management and Client Services with Functionability Rehabilitation Services. She is a registered Social Worker with the Ontario College of Social Workers and Social Service Workers. For over 12 years, Michelle has worked with individuals and families specializing in the area of traumatic injuries including acquired brain injury and complex orthopedic injuries. Michelle worked for 10 years at Toronto Rehab as a clinical social worker and as the service coordinator on both the Inpatient Acquired Brain Injury and Musculoskeletal services. She is currently a board member of BIST and is active on both the Awareness and Run committees.
