

Broward SCORE success story to go with Image 0255 – Captiva Containers

The Broward SCORE Tune Up Team counseled the management team of Captiva Containers during the 1st Quarter of 2016 and helped them create an updated strategic business plan. Captiva Containers is a rapidly growing local manufacturer of customized plastic (PET) bottles for the beverage industry. The SCORE team provided the client with comprehensive recommendations for the improvement of their manufacturing efficiency, general operations, and human resources development. Captiva Containers is now poised for continued success and revenue growth.
