SCORE is a resource partner with the US Small Business Administration (SBA). Our mission is to provide professional guidance and information to all to maximize the success of America’s existing and emerging small businesses.

In our counseling discussions, we are invariably asked for suggestions of reputable individuals or firms for our clients to approach.

To fill these needs, we have prepared this

**Registry of Professionals**

This Registry includes firms and individuals assisting small businesses. These firms and individuals agree to offer a preliminary, one-hour, interview at no cost to the client. At that time a fee schedule can be negotiated if the client wishes to continue in a business relationship.

Please note that:

- SCORE does not make any recommendations covering the selection of specific firms or individuals;

- SCORE shall have no responsibility or liability for any consequences of using the Registry; and

- To cover SCORE’s costs, firms listed in the Registry are charged a nominal fee.
