PART 1

PERSONAL GROWTH

Your challenge this week:

Evaluate your heart when it comes to money and possessions. Where would you rate your heart?

**I'm not
trusting
God at all**

**I trust God
off and on**

**I'm all
in and I
trust God!**

Every time you feel that toddler coming up in your mind and saying, "This is mine!" I want you to just stop and pray. Ask God to help you focus on Him and everything He provides for you. Ask Him to soften your heart and give some of His fries back to Him.

What helps you remember that everything belongs to God?

Read Psalms 50:9-12. What does this verse show about God's role in our possessions?

Read Psalm 23:1-6. This verse is a great picture of how God provides for all our needs. Reflect on how you are allowing God to provide for you.
