

AREA WIDE AT MIDWAY IN FEBRUARY

Throughout this school year, we have made many trips to several different congregations to join them for our monthly Area Wide Youth Series. And next month, we have the privilege of getting to host this event! On February 11th, several youth groups from the surrounding counties will make their way to join us for worship! We will begin at 5:00 pm, and this year our guest speaker will be Drake Jenkins, who will be speaking on the Revival of Jonah. Several of our young men will also be assisting in leading worship for the evening. Following worship, we will take a quick break and then meet together for an activity to

get better acquainted with all of our visitors, then head downstairs to the fellowship hall to eat a meal together! As the date gets closer, our graduating seniors are working on all the details of this event! If you are wondering how YOU can help, we need our members to please bring chips and desserts for our fellowship meal! Everyone is invited to be a part of this evening from beginning to end, so please stick around and join us for dinner! We couldn't be more excited to be hosting this event, to have Drake Jenkins here to speak to us, and to have you join us!

Teens, please go ahead and plan to be here early! we will most likely have things that need to be passed out to our visitors for our activity, and we want to make sure everyone is welcomed when they arrive—be here at 4 PM!
