

tolmolbol (www.tolmolbol.com)

tolmolbol is your friendly neighbourhood web-guide whose mission is to help you get to know your community. Powered by the community, tolmolbol helps people share their knowledge and experiences with the rest of their neighbourhood. Members can ask questions, share tips, recommend service providers to friends and make informed shopping decisions. Apart from building a trusted network of friends, members can post reviews, bookmark their favourite listings, place classified ads and discover upcoming events in their locality. A tolmolbol city-zen can also transfer contact details regarding businesses, events or classifieds onto a mobile phone via SMS.

Wherever you are, the best restaurants, doctors, retail shopping outlets, theatres, real-estate agents, home-decorators or any other service provider you can think of are all just a click away. Millions of customers can now reach out to businesses that currently have little or no internet presence. tolmolbol brings several hundred thousand service providers spread across India closer to the end consumer than ever before. With tolmolbol, getting to know your community has become not just easy but a lot more fun.

Our Features

> Find Local Businesses

Locate over a hundred thousand businesses and professionals spread across India. Identify the best restaurants, doctors, retail shopping outlets, theatres, schools, wedding planners, home-decorators or any other service provider from over five hundred different categories.

> Read Reviews

Read opinions that you value. Find trusted reviews from friends in your social network. Make informed decisions every single moment of your life.

> Ask a Question or Reply with Tips

tolmolbol is the answer to all your questions. Ask for advice and suggestions or better still, pose a funny question and find out what your friends have to say.

> Bookmarks

Ever want to retrieve that all-important post about an upcoming event, a classified ad, a member page, a business listing or even a review? All of them are now just a bookmark away.

> Connect with your Friends

Add friends to your network and get dependable opinions from the people you trust.

> Meet People with Similar Interests

Find out what a truly small world we live in. Get to know your community!

> Send & Receive Compliments

Encourage your community. Let someone know if you just love the way he or she writes or for any other special reason.

> Send & Receive Private Messages

You can send private messages instantaneously to anyone within tolmolbol. All your messages are archived in your personal inbox.

> Discover Local Events

Have you ever wondered if there are interesting plays being staged over the weekend? Maybe, there is a foreign-language film festival or a book-reading get-together involving your favorite author? All of these events could be happening right now in your city. Discover and communicate upcoming events.

> Post Classifieds

Have an item to buy, sell or rent? Whether you have a job requirement that you must fill or want to land the right job, tolmolbol classifieds is a great place to find what you want. Maybe, even your soul mate!

SMS Contact Details

Transfer the contact details of businesses, events and classified ads onto your mobile phone via SMS.

Our Company

We are a group of super-charged entrepreneurs with a passion to change the way communication technologies like the internet and mobile phones are leveraged to provide helpful solutions for the common man. tolmolbol is our first offering in this regard.
