

## **Sahas Event description**

**Task Race:** An event based the concept of the “Amazing Race”. It is an outdoor event held in the rustic ambience, where participants are asked to indulge in number of activities which test their abilities in endurance, observation, learning and other such abilities. All these events are held outside college and only the best team comes out successful.

**Wall Climbing (Competition):** A event where the participants are asked to climb up a wall having holds in a set particular route. The competition is time based and the participants are judged based on their speed and endurance.

**Rappelling :** This event involves the participant coming down a vertical descent with the help of rope and a device called a “Descender”. The rope acts as the securing safety while the participant descends.

**River Crossing:** An exciting event where the participants are asked to move from one point to another as they are supported by a pulley
