  - c. Not more than five (5) bedrooms shall be permitted on lots 1.0 hectare (2.471 acres) or larger in area; and

- 802 10. c. iii. A bedroom used for bed and breakfast use shall not be occupied at any time by more than two (2) persons having attained the legal age of majority in *British Columbia* together with not more than three (3) children under the legal age of majority in *British Columbia*; and
- iv. Bedrooms used or reserved for bed and breakfast use shall have a floor area of not less than 7.5 square metres (80.73 square feet) excluding closet areas and the minimum horizontal dimension for any such bedroom shall be 2.5 metres (8.202 feet); and
- v. The occupants of the dwelling unit who are the operators of bed and breakfast use shall have a valid business licence for the carrying on of such business or undertaking where such licence is required to be obtained under the provisions of any applicable statutes, bylaws, and regulations in force from time to time; and
- vi. ***Except in Electoral Area ‘E’*** not more than one (1) sign advertising the bed and breakfast use shall be permitted on the lot on which the use is being carried out and that sign shall be not be larger than 0.75 square metres (8.073 square feet) in size; and **(B/L 2358/08)**
- vii. Notwithstanding the provisions of this bylaw relating to off-street parking requirements, a bed and breakfast use shall not be carried on within a dwelling unit unless off-street parking spaces are provided on the lot on which the dwelling unit is located, sufficient to meet the following requirements:
- a. The number of off-street parking spaces that would be required for such dwelling unit under the off-street parking requirements of this bylaw applicable to a dwelling unit if no bed and breakfast use was carried on within the dwelling unit, plus;
- b. one (1) additional off-street parking space for each bedroom within the dwelling unit used or reserved for the bed and breakfast use; and
- viii. Not more than one (1) motor vehicle shall be parked within any off-street parking space provided in conjunction with a bed and breakfast use, and no motor vehicles shall be parked on the lot on which the bed and breakfast use is carried on, unless such motor vehicle is parked within an off-street parking space provided in conjunction with such use.

- 802 10. c. ix. The owner of the bed and breakfast use must obtain the following:
- a. an access permit from the *Ministry of Transportation*; and
  - b. an on-site septic tank effluent disposal permit from the *Interior Health Authority*, to provide for the discharge of effluent from any combined residential/bed and breakfast use of the subject property where the site is not serviced by a community sewer system. If the subject property is serviced by a community sewer system then the owner must obtain the permission of the authority having jurisdiction to discharge effluent from the combined residential/bed and breakfast use of the land to the sewer system; and
  - c. where applicable, the permission of any applicable domestic water purveyor to draw water from their respective community water system in order to supply additional water to the bed and breakfast facility; and
  - d. obtain the permission of the *Building Inspector* and the *Fire Prevention Officer* for the *Regional District* for the proposed bed and breakfast facility.

d. Boarding House Use

A boarding house use shall be contained wholly within the dwelling unit and shall comply with the following regulations:

- i. A boarding house use shall not be permitted on lots smaller than 1 ha (2.471 acres) and the residence shall not contain more than five (5) sleeping units; and
- ii. Meals shall not be prepared within the rental units; and
- iii. There shall be no indication, from the outside, that the dwelling unit is being used for boarding house purposes; and
- iv. Notwithstanding the provisions of this bylaw relating to off-street parking requirements, a boarding house use shall not be carried on within a dwelling unit unless off-street parking spaces are provided on the lot on which the dwelling unit is located, sufficient to meet the following requirements:

- 802 10. d. iv. a. The number of off-street parking spaces that would be required for such dwelling unit under the off-street parking requirements of this bylaw applicable to a dwelling unit if no boarding house use was carried on within the dwelling unit;
- b. One (1) additional off-street parking space for each bedroom within the dwelling unit used or reserved for the boarding house use; and
- v. Not more than one (1) motor vehicle shall be parked within any off-street parking space provided in conjunction with a boarding house use, and no motor vehicles shall be parked on the lot on which the boarding house use is carried on, unless such motor vehicle is parked within an off-street parking space provided in conjunction with such use; and
- vi. The owner of the boarding house use must obtain the following:
- a. an access permit from the *Ministry of Transportation*; and
- b. an on-site septic tank effluent disposal permit from the *Interior Health Authority*, to provide for the discharge of effluent from any combined residential/boarding house use of the subject property where the site is not serviced by a community sewer system. If the subject property is serviced by a community sewer system then the owner must obtain the permission of the authority having jurisdiction to discharge effluent from the combined residential/boarding house use of the land to the sewer system; and
- c. where applicable, the permission of any applicable domestic water purveyor to draw water from their respective community water system in order to supply additional water to the boarding house facility; and
- d. obtain the permission of the *Building Inspector* and the *Fire Prevention Officer* for the *Regional District* for the proposed boarding house facility.
- e. Fruit and Produce Pickers' Cabin Use
- i. A fruit and produce pickers' cabin use shall not be permitted on a lot of less than 4 hectares (9.884 acres), unless such use existed prior to the adoption of this bylaw.

802 10. e. ii. The use of a fruit and produce pickers' cabin as a rental unit is prohibited.

f. Intensive Agricultural Use

An intensive agricultural use shall not be permitted on lots smaller than 0.8094 hectares (2.0 acres) and shall only be permitted on lands that are located within the *Agricultural Land Reserve*.

g. Limited Agricultural Use

Dog kennels shall not be permitted on lots less than 2 hectares (4.942 acres) in size and all kennels and pens must be sited with a setback of not less than 30 metres (98.42 feet) from all property boundaries.

h. Limited Resource Use

~~For the purposes of this section Limited Resource Use means a use of a lot providing for the conservation, management, and extraction of primary forest, mineral, and other resource materials grown on or originating from the same lot including the preliminary grading, cutting, or crushing of such materials for shipment.~~

***For the purposes of this section Limited Resource Use means a use of a lot providing for the conservation, management, and extraction of primary forest, mineral, and other resource materials grown on or originating from the same lot. Within Electoral Areas “D”, “E” and “F”, Limited Resource Use includes the following processing activities: preliminary grading, cutting or crushing of such materials for shipment. Within Electoral Areas “B” and “C”, Limited Resource Use excludes all processing activities.***  
**(B/L 2613/14)**

A limited resource use:

- i. shall specifically exclude all manufacturing of products and any processing not mentioned above; and
- ii. shall not be permitted on a lot of less than 2 hectares (4.942 acres); and
- iii. shall not include the storage, repair or maintenance of heavy equipment of an off-site logging, mining or other resource based use or business other than one such vehicle used by the owner to commute to his off-site place of business on a day to day basis.

i. Residential Buildings

Insofar as residential buildings are concerned, where a lot of less than 0.5 hectares (1.235 acres) was existing at the effective date of this bylaw, the provisions of Section 701.9. of this bylaw shall apply.

802 10. j. Unenclosed parking and storage

No person at any time shall park or store any unlicensed or wrecked vehicle or parts thereof on a lot in the *Country Residential Zone (C.R.)* unless said vehicle or part is completely enclosed within a building. The vehicle(s) or part(s) must be for the personal use of the owner only or be part of a bona fide home occupation.

k. Wineries and cideries

Wineries and cideries are permitted provided that:

- i. The winery or cidery is eligible for licensing as a winery or cidery under the terms established by the B.C. Liquor Control and Licensing Branch as amended from time to time; and
- ii. At least 50% of the production of wine or cider comes from grapes, cider apples or other fruit grown on the winery or cidery farm. Grapes, cider apples or other fruit which are grown in British Columbia and are acquired by a winery or cidery through a long-term contract of no less than three (3) years may be included as part of the on-farm 50% production, provided that a minimum size vineyard or orchard of 2.02 hectares (5 acres) is maintained by the winery or cidery farm. If due to crop failure or replant a winery or cidery is unable to meet the on-farm 50% requirement, the operator may request, in writing, from the Regional Board, or from the Agricultural Land Commission where the land is located in the Agricultural Land Reserve, a temporary exemption from this requirement. The Board or the Agricultural Land Commission may, without application, grant the temporary exemption.
- iii. Aside from the wine or cider, the sale of any other farm products, processed farm products and off-farm products must not exceed the limits prescribed in Section 802.10.a. of this bylaw.
- iv. Off-street parking shall be provided for wineries and cideries at a rate of 4.4 spaces per 100 square metres (1076 square feet) gross floor area used for wine tasting and wine sales. The off-street

parking area and access thereto shall be constructed meeting the standards cited in Schedule B of this bylaw applicable to *Rural* zones.

- 802 10. k. v. Buildings used for winery or cidery use shall not be sited closer than 7.5 metres (24.61 feet) to any lot line.
- vi. Signs shall conform with the provisions of Section 802.10.a.vii. of this bylaw.
- vii. Wineries and cideries shall not be permitted to be carried out unless the owner of such business or undertaking has obtained a license for the carrying on of such business or undertaking where such license is required to be obtained under the provisions of all applicable Statutes, Bylaws, and regulations in force from time to time.

l. Work Force Housing Use

Work force housing units shall not be permitted on a lot of less than 4 hectares (9.884 acres) and shall not be used for permanent residency nor for rental purposes and shall be approved by the Interior Health Authority.

m. **Medical Marihuana Production Facilities**

*Medical marihuana production facilities shall only be permitted on lands within the Agricultural Land Reserve, subject to the setbacks of Schedule G of this bylaw and provided that these facilities do not discharge or emit odorous, toxic or noxious matter or vapour; heat, glare or radiation; recurrently generated ground vibration; noise in excess of ambient noise at the property boundary; electrical interference; or any other health or safety hazards. (B/L 2606/13)*
