

Power lover Super lover
(Brent Newcomb)

There are days when you want the best of me.
There are days when you crave the worst.
Days when everything you touch excites you.
There are days when you're feelin' cursed.

Sometimes you're aroused when that moon is full
And your wild side's a thing to behold.
Sometimes you need me by your naked side
Just to warm your shiverin' cold.

That's when you need a...
Power Lover Super lover.
Shocking kiss. Electric hands.
Power Lover Super lover
Twenty-four seven electric man.

Look up and you are caught in the rain
Soakin' wet from toe to head
But then you find yourself all feral hot
And your passion needs to be fed

You find yourself under a burnin' sun
Slavin' n' sweatin' your yearnin' away.
You may feel that urge inside of you.
Burstin' to come out and play.

That's when you need a...
Power Lover, there's no other
Under the sheets untamed ram
Power Lover, don't tell your mother
Super Lover Power man

I know there's days when you just lie there
Twistin' round and round in bed.
I know there's times when you'd stay sleepin'
And just dream of me instead.
I know there's days dressed in your lingerie
when you're feelin' sexy and blue.
But on those days for sure I know
Just what you wanna do...

You beg for a...
Power Lover Super lover.
Handyman with all the tools
Power Lover Super lover
Guy breakin' all the rules

Power Lover, Super lover
Twenty-four seven electric man
Power Lover, Super lover
Super Lover Power man
