ANNUAL SPONSOR DRIVE 2016 SEASON

To our Friends in the Business Community:

Old Bridge East Little League was founded in 1955 through the hard work of parents and friends who support the children of our community. Our league is committed to providing the best baseball and softball programs for young boys and girls, ages 4 - 15. We have grown considerably in the last 61 years. However, in today's economy, we are finding it harder than ever to cover the cost of safety equipment, proper field maintenance, uniforms and other supplies.

We are a non-profit organization struggling to provide a fun yet safe environment for our community's children. We are now turning to you, our local merchants, for your support.

Become a team sponsor. Show your support to the children of our community by sponsoring a team. Your tax deductible donation of \$300 will supply one team's playing uniform complete with hat. As a thank you, at the end of the season we send you a sponsor plaque with your team's picture. Additional sponsorship options are listed on the attached page.

What better way for you to show your support for our community's children than by sponsoring a professionally lettered outfield sign. Old Bridge East's complex is used spring through the fall by our little league as well as travel baseball teams from all over New Jersey, exposing your business weekly to local community and neighboring communities as well as showing your support for a most worthwhile cause. Your tax deductible donation of \$350 entitles you to a 3' x 8' sign hung on the outfield fence of one of our five playing fields. And, should you choose to renew your sponsorship each season, your renewal will only be \$200.

Your support will be greatly appreciated not only by the Old Bridge East Little League, but by the families and friends of our league children as well.

Thank you in advance for your consideration. Please support us as we continue helping our community's children learn and grow....for the love of the game!

Sincerely,

Kristen Mamo
