# **MOYSC Coach Selection Guidelines**

Coaching at Manchaca is a privilege, not a "right". Persons not selected to be head coaches or not allowed to be assistant coaches, may still participate in numerous ways unless otherwise barred because of criminal background check or disciplinary issues. Persons should be content in giving to the players regardless of title.

Is there a need for a head coach? A need may arise for several reasons including a head coach moved up, coach quit, the players have left the team (except 1 or 2 players), for criminal background issue, or disciplinary issue. A need could also arise because of additional players being added to the league.

## Yes/No Criteria

Yes/No Does the person have a child in the league?

Yes/No Did person submit criminal background info, money, and pass? Yes/No Did person attend/maintain the required coaches' certification/training? Initial Rank Criteria (if more teams are available than coaches, rank is not an issue) First rank situation: Person was head coach on the same team the previous year Second rank situation: Person was "priority" pick assistant on same team previous year Third rank situation: Person was head coach in prior league the previous year Fourth rank situation: Person was assistant coach on the same team previous year Fourth rank situation: Person was assistant coach on the same team previous year Fifth rank situation: Person was assistant coach of a different team Sixth rank situation: Person was not a head coach or assistant coach in the last year Additional Criteria (to be used when two persons have the same initial ranking above): Has the person regularly paid for registration fees in a timely manner? Has the person regularly assisted with field maintenance? To what extent ? Has the person delivered requests for rosters, auction baskets, bbq tickets, concession stand assistance, etc., in a timely and dependable manner? Tie breaker criteria:

In the event that the items above do not finalize a decision when more head coaches are available than teams, the following tie-breaker criteria should be used:

1<sup>st</sup>- Did the person coach the previous fall on a team?

2<sup>nd</sup>- Does the person contribute to ball park construction efforts? To what extent?

3<sup>rd</sup>- How many years has the person participated at Manchaca as a coach?

4<sup>th</sup> -How many years has the person participated elsewhere as a coach?

5<sup>th</sup>- Has person been head coach in All Stars? How many years?

6<sup>th</sup>-Is the person a current member of the Manchaca Optimist Club? Are dues up-todate?

7<sup>th</sup>- Verbal/written request date(if commissioner had not already approved coaching spot)

8<sup>th</sup> - What is the baseball knowledge level of coach?

League Commissioner will approve/disapprove of coaches. Ballpark director can override a commissioner decision if director believes commissioner did not have correct information or did not follow the guidelines above. Ballpark director will solicit ballpark board vote in situations that are not clear or when a person requests an appeal. President can override director/board if director/board did not have correct information or did not follow the guidelines above.

Many of these guidelines have been in place verbally for years.
