

WELCOME

TO THE

2012

2ND ANNUAL

DINNER

BANQUET

JANUARY 14, 2012

I want to thank everyone for joining us at our 2nd annual FCNY dinner!

Tonight's event is a great opportunity to bring together the members of our program to celebrate the children who participate and to thank their parents for their commitment. It is nothing less than spectacular that we have almost 300 people in attendance! It is very humbling to think that we are at a point in the history of FCNY that we can have such a turnout.

I started the organization 11 years ago and incorporated on March 14, 2003. We began training a couple of teams at the HBC Soccer club in the fall of 2007 and have seen the program grow from there. At this event, we have 11 teams representing our program, quite a bit of growth in a very short period of time.

This is a great testament to each of you and to the staff I have assembled to work with your children. My staff takes great pride in the effort they put in and I know it shows in the improvement we see in your children's skills. We will continue to stress the importance of **competing over winning** in order to give the players confidence in themselves so that they can strive to be the best they can be in all aspects of their lives.

I hope you enjoy the evening and get a chance to meet some of the great people who are a part of our FCNY family.

Thank you!

Sincerely

Jim Neuburger
President
Football Club of New York
