Pep Rally Brings out the Best

Hundreds of the Junior Jaguar family came out for the annual Pep Rally on Friday, August 27th at Soverel Park. A record number of participants were treated to an introduction of the Board and Coaches as well as inspirational words from former NFL Great Ottis Anderson. Then, the DJ turned up the music and put

the festivities into the next gear. Our incredible coaching staff got everyone focused on having a great season and introduced their teams which this year includes: Midgets, Junior Midgets, Pee Wee, Junior Pee Wee B, Junior Pee Wee A, Mighty Mites, and the Flag Teams. We were also inspired by great performances from our Cheerleading

squads: Junior Midgets, Jr Pee Wee, Mighty Mites and Flag. The evening ended with players and cheerleaders feasting on hot dogs, potato chips and juice. The Rally got the organization on one accord, with everyone hoping for a fun and productive season.

ALL SET? YOU BET!

Words of Wisdom

Keynote speaker Ottis "OJ" Anderson may have spent 14 years in the NFL, achieved membership in the 10,000 Rushing Yards Club and earned the MVP award for SuperBowl XXV, but his football career began as a flag player. At our rally, he had a message for everyone. To parents: "Let the coaches coach your kids!". To the coaches: "Teach...explain what to do and how to do it". And to the kids: "If you can't get it done in the

classroom, you wont be able to do it on the field." "Football is a team sport". The audience appreciated his words. Not only did he drop wisdom, he promised to return later in the season to check on us. Thanks Ottis!

LIL SCHOLARS

Encourage your Scholar/Athletes!

Each year, the most academically accomplished Pop Warner kids compete for Academic All-American status. Students are eligible for All-American consideration if he/she

- is currently in grade 5 or higher
- has a 96% GPA or better
- has a complete prior year's report card.
