Old Business:

Special Guests from Belpre High School Cross Country reviewed their request to utilize the Belpre Soccer Club fields for a home cross country meeting in September of 2018. Minimal impacts to the fields would be required. Due to safety to the runners the fields would need to be closed to all traffic on the Saturday of the event. Additional discussion regarding potential approaches for compensation for use of the field were discussed and the Cross Country folks were released.

Additional disclosures were submitted via email for comment to the future and active board. Following electronic discussion of the terms and considerations, the motion to negotiate a contract with the Belpre High School Cross Country organization was approved. Specifics of the contract to be worked out in January 2018.
