

August 6, 2014

Policy for Jerseys.

Each team will get new jerseys this year. The players were required to pay the \$15 during registration. If a team decides not to use these jerseys, then the team will return the jerseys to the club and the club will refund the fee for the jerseys to the team. The team can then purchase their own jerseys but can't charge more than \$15 to each player. The new team jerseys must have the Great Teays Soccer Club logo on the jersey. This can be done at Quantum for \$1.50 per jersey. If a team does not follow these rules, then they cannot participate in games.

Sincerely,

Derek Altizer

President of GTSC
