

Spring Summer Ball Season 2017

Dear Sponsor:

Thank you for your consideration and/or much appreciated support in 2016. We had another successful season providing an active outdoor sport for hundreds of area youth. Spring clean up is around the corner and we are all anxious to get the fields ready for another amazing season for all players.

Annually Seymour Ball Club hosts a full baseball and softball season, along with multi state participated girls and boys tournaments and wrap the year up with a shorter fall ball weekend season. Our dynamic ball club supports 6 levels of girls softball, and 5 levels of baseball including a co-ed T-ball division. Without all of our dedicated volunteers and financial support from our community partners like you, we wouldn't be able to accomplish all of this.

Because of the support we received in past seasons, our organization has been able to make some major field improvements including addition batting cage areas in 2016 and dugouts on all of the fields over the years. Additionally, your support allows us to keep player fees as low as possible and even provide free registration for all T-Ball players since 2013. We have been fortunate that additional property on our East end has been allocated to develop additional parking and a 7th field. This property will allow us to facilitate additional games and provide better access to the Eastern fields.

Please consider supporting the youth in our community through Seymour Ball Clubs program. By becoming a team, sign sponsor or both, you are not only supporting a popular sports program for area youth but also advertising your business.

- Team shirts are a statement for players and many are worn year round.
- Families from all around the Chippewa Valley visit the Seymour Club for league games.
- Families from near and far come to our annual tournaments.

Check the options of your choice on the form included and return with your donation to the address listed. Please don't hesitate to contact me at 715-797-5311 if you have any questions. Forms should be returned by March 1st or brought to the town hall during one of our registrations nights. Thank you!

Sincerely,

Melissa Wait - Sponsor Coordinator 715-797-5311

On behalf of the players, families, volunteer coaches and board members of Seymour Ball Club

E2270 Kirk Court

Eau Claire WI 54701
