

History of the Havenwood Area Little League. Prior to becoming Havenwood it was known as a baseball boys club. Not sure how many years it existed that way before joining Williamsport Little League Baseball.

In 1972 the organization petitioned Williamsport LL for acceptance as a member of LL Baseball was accepted and started play in the 1973 season. In 1997 it celebrated its 25th anniversary. On opening day of the 1997 season at the opening day parade the league was presented with certificates from delegates from Anne Arundel County Executive and State Delegates proclaiming the day Havenwood Little League Day.

When the league started it fielded 4 Senior teams (13-15), 4 Major teams (11-12) and 4 Minor league teams (8-10). In 1977, with the leadership of Charles Snyder and Tom Caines Tee Ball was introduced to Havenwood. Starting with 4 teams aged 6-7.

In the early years, prior to Tee Ball, all games were played behind Geo Fox. The senior league played on the middle field, the Minors played near the woods and the Majors played near, what was then the tennis courts. Girls softball, which at one time was sponsored by Havenwood Little League played on the field closet to the school, which is now Havenwood Girls Softball League. Approximately in 1975 two fields were opened at Havenwood Park, housing the Major, which was fenced in and Minor League which was an open field. Sometime between 1979/1980 the first concession stand was constructed by volunteers from the league and the Womens Auxilary was reformed. In 1981 we fenced in the Minor league field. AACO did replace all the fencing but I don't remember the year. In 1982 there was an addition added to the concession stand and remained that way until 2008 when the current building was added and the entire unit was upgraded.

District IV Little League at one time consisted of teams from Havenwood, Riveria Beach, Marley, Lake Shore, Crofton, South Baltimore, Harundale, Maryland City and Kent Island. Each year there were championship tournaments played amongst the individual league winners to determine a district champion, in all divisions. This was then followed by an All Star Tournament for each division, hosted by one of the Leagues. The Tournaments were usually hosted by different league each year. There was a lot of baseball played at the end of June and the first two weeks of July. The winners of the District tournament would then go onto play in the Sectional and then the winner would go to Williamsport Pennsylvania for the World Series and the Senior division would finish up in New York or Connecticut. At one time I believe both the Major and Senior league won the District level then lost at the State level.

Havenwood also played a big part in the District IV leadership. At one time the District Administrator was Pat Geoghegan, who has sons now coaching and a grandson playing in our league. Bill Gillingham was an outstanding umpire for many years. There are many people who

over the years have given much time and energy to the league, there was a group that used to go out and work a concession stand at the Oriole game to make money for the league it was hard work but also some fun.

The following list shows all the names of the volunteers that were responsible for the beginning and the continuation of Havenwood Little League which became the Pasadena Baseball Club. If memory serves me correctly Havenwood was originally chartered as "Havenwood Area Little League" and its colors were blue and white. In the late 70's it was changed to green and yellow and called Havenwood Little League Inc.

As I find more information I will make addendums to this file.
