With the football season coming to an end, only things remaining are the cheerleaders competing in Orlando and the end of year banquets. Now is a good time to thank all those people who gave their time, their effort and their energies to making this a successful season. Week after week, night after night, this league is built on the generosity of people helping out. Whether its in the snack shack, lining the field, holding the sticks on game day, supporting the cheerleaders at competitions, boot drives and canning, weigh-ins at the Marshall, or Bingo on Wednesday's, this league wishes to thank all those people who gave time to help. Without you all, this league does not have the resources to send 2 full teams of cheerleaders to Orlando, hold banquets for all participants, provide busses to away games, and many, many other things throughout the season...**THANK YOU VERY MUCH**
