

Ramapo Valley Soccer Club

2019 Winter Recreation Program Information

Our Winter Recreation program is a skill development soccer program that compliments the Fall League. The program strives to teach and enhance fundamental soccer skills and play tactics. The program is designed to meet the needs of the first-time soccer player, as well as the experienced but casual player, all in a fun-filled learning environment.

Those seeking increased skill development and a competitive play environment are invited to try out for our Competitive League teams. Visit the RVSC website homepage and click "Tryouts" listed on the Main Menu.
