## RCBC At The Marucci World Series

The 15U, 16U and 17U Nationals traveled down to Baton Rouge, Louisiana for the invite-only Marucci World Series. In addition to playing serious baseball against other Marucci Founders Club teams from around the country, the boys got to sample some of the local fare including jambalaya, po' boys and blackened alligator. They also toured the Marucci factory and got to see the sites on Bourbon Street in New Orleans. It was a great baseball and cultural experience for all that attended. Check out the photo album on the RCBC website.

## Summer Camps

Over 80 young campers had a great experience at the 2017 5 Tool Baseball Summer Camp.

We also held our 5th annual College Showcase Camp. This year, 100 players participated under the watchful eye of coaches from 20 schools. Another great way that we provide college exposure to our high school age players. Go to [www.showcasecamps.com](http://www.showcasecamps.com) for photos.

Still time to get yours done this fall.
