The Characteristics of a Small Forward

The small forward is the most gifted player on the team. He should possess the following characteristics:

1. He must be quick and fast.
2. He must be an adequate rebounder.
3. He must be a good passer.
4. He must be able to play defense anywhere on the floor.
5. Most of all he must be a good scorer, capable of shooting from anywhere from the wings, around the key, and under the boards.
6. He must be able to penetrate and score.
7. He must be able to score at will, and **simply take control of the game** with his exceptional athletic abilities.
8. He must run the length of the floor on fast breaks.
