

North City Youth Baseball is comprised of a large group of local families (over 350 kids) who patronize local businesses. We would love your business to be a part of our North City Family that promotes youth sports, positive leadership and team competition. Choose a level of sponsorship below and know you're helping support North City and your local community.

To be included in the 2014 League Directory, we will need your donation by February 24, 2014.
