

St. Edward High School Families and Alumni,

When we took over the Football Program back in 2005, it became evident very quickly that it was going to take some time to rebuild the Program. The boys during those years bought into, and upheld, the pillars of the Program; Respect, Discipline, Pride, TEAMwork, and Academic Excellence, and they have passed that on from year to year. The mentality was that they were the building blocks of the Program for years to come, despite wins or losses on the field.

To drive that idea home, we created granite bricks with each senior's name and graduation year on them every year, with the idea of building something with them that would demonstrate their part in laying the groundwork for the Program.

Well, that time has finally come! We are having a walkway created with the granite bricks, along with brick pavers at the entrance to the football field, in front of the concession stand.

The Football Program is going to fund this project, and in an effort to offset some of the costs, we are going to offer Sponsorship Bricks to be placed alongside the players bricks at a cost of \$250. We would welcome all the former players and alumni that came before we arrived, to participate in this endeavor.

If you'd like to sponsor the project, please make checks payable to St. Edward Football and mail to Coach Mike Rolando, 760 Deborah Ave., Elgin, IL 60123. Please include what you would like engraved on the brick. If you'd simply like to donate towards the project and not have a brick, that is fine too. Construction of the project starts in a few weeks! Deadline for the initial brick laying is June 15th.

Thanks again to all our Families that have supported, and continue to support, our program!
