To the Executive of the North Dufferin Baseball League

On behalf of the Creemore Barons baseball team it's with regrets I am writing this letter to request a leave of absence from the North Dufferin Baseball League for the upcoming 2017 season.

It is unfortunate for the players that are committed to play, but due to some players work commitments, moving, players leaving to play elsewhere or not playing at all, the team cannot achieve the commitment for the upcoming season. Therefore the Creemore Barons have decided to take a leave of absence and possibly organize for the future.

I would like to thank the Executive and League Members for the opportunity the Creemore Team has been given since the Juniors started in 2012.

I apologize for any inconvenience and good luck to all the NDBL teams this season.

Sincerely,

Andy Van der Heyden

Creemore Barons Baseball Team
