### **Nominations for Booster Club Officers due in on 4/21/17**

- Please e-mail Dean Sifuentes if you are interested, or have a nominee for the various positions available for the 2017-2018 baseball club. A ballot is in the process of being constructed, and we will be voting at the May booster club meeting. Nominations are due by this Friday, 4/21.

## New Grill/Concession Stand -

- We are in need of a new grill. A motion for money of \$300 or less, to come out of Booster Club funds for this purchase, took place.
- Marnie Choate and Paula Empkey volunteered to contact Mr. C's in order to work out a deal for this purchase. They will go pick out the grill and pick it up this week.
- There was also discussion regarding the use of the microwave and crock-pot in the concession stand. We need to be using one, or the other, not both at the same time. This is causing the electrical problems that we have been recently having with the power outages.
- Please make every effort of getting the concession stand up and running by 6:30 on game nights. This is our biggest moneymaker, and we need to get it going.
