Coach Gibson - "Diamond Talk"

- Coach Gibson thanked the Booster Club for all of their time and help with all the activities throughout the season
- He again thanked everyone for their help with Senior Night, and felt it went very well
- He reported on each team:
 - *JV White had a rough start, but finished strong
 - *JV Blue ended with a 500 winning percentage, and competed very well
 - *Varsity had a rough season, not playing consistent, ending in last place
- He will be conducting exit interview with each of the players, beginning with the seniors. He will discuss with continuing players their plans for summer baseball, what summer teams they plan to play on, etc.
- A question about the summer baseball program was asked, and Coach Gibson said that the number of teams has not been decided yet, and it would depend on the information he will get through the exit interviews. It is very similar to Fall ball, John Blume coaches the JV team, while Don Peterson coaches the Varsity. It generally costs \$100 dollars per player to be paid to the summer coaches.
- Any players interested in the Bell summer strength and conditioning program with Coach Glaze can see Coach Gibson, or Coach Carter for more information.
- Boys who play football in the fall will rejoin baseball class in the winter.
- Boys who choose to play basketball, it doesn't end until mid-February. It can be done, but it is just a little more challenging.
