

## November, 2016 Email Meeting

Okay, here is a start. If you think of anything else to add, please do.

### **REC**

**Commissioner-** 1. We received a check from the Court for Wendy in the amount of \$60.43.

2. Championship games went well. Both squads lost, but played great games.

3. Board positions- If you haven't already let me know, I need to know pretty soon if you intend to retain your board position.

4. I NEED A REPLACEMENT FOR COMMISSIONER TO SHADOW ME NEXT SEASON.

**Secretary-** Sherry, can you attach minutes from last meeting for all to review. If someone can give us a 1<sup>st</sup> and a 2<sup>nd</sup> we can approve.

**Treasurer-** Heather, can you attach treasurer's report and if someone can give us a 1<sup>st</sup> and 2<sup>nd</sup> we can approve.

**Banquet-** Megan do you need any help for the banquet? Are we all set?

**First Aid kits and COUGARS letters-** Coaches, can you turn in your first aid kits and COUGAR letters when possible.

**Uniforms-** In the process of collection. Must have all by tomorrow or no banquet (or maybe we should say no trophy!) You can eat, but you can't have a trophy!!!

### **COMPETITION**

**ADDL COMP-** We obviously pulled out of Rumble in the Jungle. We need to pick another competition or figure out how to handle missing one.

Comps that I know of are:

1/7 Epic Storm (Tritown's competition) (we have Girl scouts with conflicts)

1/15 Rise Up Competition (Central Dauphin) (back to back with Battle in the Burg)

1/29 Blizzard Battle (back to back with Garnet Valley)

2/18 Lansdale Catholic Valley (far away- could be overnight)

None of these are perfect to say the least!! Up for suggestions please!!

**HALF TOPS FOR SPARKS-** Taryn, we have an assortment of half tops. Some are the turtleneck kind and some are the V neck kind. I think with the combination, we can make it work.

Brandi, once we have skirts turned back in, we need to get some of Sparks outfitted with new skirts. Not sure if Taryn or Brandi is helping with this one. Let me know. Pick a date and let's make this happen.

Their first comp is 12/3, so we need to make it happen soon as we only have 4 more practices.

**BOWS-** Jenn Leader, let us know when the Sparks can expect their bows.

TINA'S RESPONSE:

Tina's response:

as far as comps go

i know one of those girl scouts is mine so sorry for the conflict because that is probably the best one to pick

i would rather do back to back with battle in the burg than garnett valley

how far away is Lansdale ??

if not outrageous i vote Lansdale just to give us some breathing room from the back to back hectic schedule

just my two cents :)

Little bows will be delivered on the 29th I will bang them out over Thanksgiving break. Also, I will have the extra comp bow. I am doing an extra little now for a sister still, correct? Do the little bows need an extra plain comp bow for emergencies as well??
