

KELLER YOUTH ASSOCIATION CODE OF CONDUCT

Mission Statement

Keller Youth Association (KYA) is a non-profit organization run by an all volunteer member board. KYA believes that through community action we can help young people develop into better adults through participation in organized, supervised recreation. The individual age appropriate leagues are designed to provide organized sports activities focusing on individual instruction and teamwork in a positive, constructive, and fun environment. KYA believes that if you teach young people to play by the rules, they will learn to live by the rules.

To prevent any misunderstanding or misinterpretations when problems occur during the various sport seasons, the Keller Youth Association Board of Directors has instituted the following Code of Conduct for players, managers, coaches and parents.

Code of Conduct for Players

As a player for KYA, I agree to:

Respect my manager and coaches. The managers and coaches are volunteers who donate their time to our organization and my appreciation of their help should be reflected in all my actions on the playing field. It is my duty to listen to and follow the directions of my manager and coaches and to obey the rules set forth by the manager and coaches of the teams.

Respect my team members and other players. I will not insult, criticize or verbally abuse any other player. Such behavior does not promote but destroys team spirit.

Never resort to physical threats or actions to rectify a situation. Physical outbursts are unacceptable and will be dealt with using a zero-tolerance policy. I will avoid all acts likely to incite violence or disorder. Any occurrence will result in my immediate suspension. Violent behavior towards any player, coach, official or spectator is at all times unacceptable and will lead to immediate suspension.

Display good sportsmanship at all times. As a representative of the KYA, it is my duty to reflect the characteristics of fair play at all times. I will display to others that competition is healthy and I will not lower those standards by engaging in unsportsmanlike conduct. Abusive language is unacceptable, and I'm aware that using vulgar or abusive language will result in my immediate suspension.

Be a contributor to the KYA. I play organized sports not only for my own personal pleasure and benefit but for the benefit and as a representative of KYA. I will always give 100% to my team by doing the best job that I can. Be proud to be a player for the KYA and have FUN doing it!

Code of Conduct for Parents

As a parent of a player in KYA, I agree to:

Respect the managers and their coaching staff. Managers and coaches are volunteers who donate their time and expertise to KYA. My appreciation of their efforts is paramount to ensuring a willing and ample supply of managers and coaches in the program. I will take practices and games seriously by making sure that my child(ren) are available and on time as scheduled. I will collect my children in a timely manner when practices and games are finished.

Respect all players. All players are contributors to a team and should be positively encouraged by all parents. I will not engage in insults or criticisms of players. Such behavior does not promote team spirit but breaks apart a team and will not be tolerated.

Respect KYA Board Personnel and Officials. You, as parents, are the best example to your children regarding sportsmanship and respect toward other persons. As such, I agree, as a

parent of a child participating in KYA sports programs, to always respect and treat civilly the KYA Board personnel and officials who are working at any KYA sports venue.

Follow proper channels to resolve any dispute with KYA. KYA is willing to assist any parent that has a problem with any of its programs. If I have an issue or problem, I understand that I should approach the manager or coaches of my child's team, the age appropriate commissioner, any individual member of the Board or the entire Board to address it. No parent should ever feel that KYA is unapproachable. If necessary, I agree to abide by the KYA Board of Director's Policy & Procedure for filing Grievances.

Display good sportsmanship at all times. The children are learning to become team players and work toward a common goal. I will always be non-judgmental in my support for their attempts and their outcomes.

Appreciate that the KYA is striving to provide the best sports program for my children. The programs of KYA are intended to be learning and fun experiences for all players. I will relax and enjoy the experience.

Code of Conduct for Managers and Coaches

As a coach and/or manager for KYA, I agree to:

Respect all players. I will ensure that all criticism I offer to the players will be constructive and balanced with compliments. I recognize that all players are contributors to my team and will treat them all fairly and equitably within my age specific rules.

Respect all parents. I recognize that enrolling their child(ren) in KYA is a big commitment for parents. I will keep my team parents informed as well as possible to ensure that the whole team is pulling in the same direction.

Respect KYA Board Personnel and Officials. I understand that as a coach, the children on the team I am coaching look to me for leadership and as an example of how to act towards the persons issuing rulings during a game situation. As such, I agree, to always respect and treat civilly the KYA Board personnel and officials who are working at any KYA sports venue. Follow proper channels to resolve any disputes. I understand that I am not alone in my position as manager or coach. I have a strong organization to assist me in the resolution of problems, issues or disputes. If they arise, I will discuss problems with my manager or coaches, the player(s), the parents, the Commissioner, individual KYA Board members or the entire KYA Board as necessary. With the manager or coaches I will schedule a team meeting before our first practice to formulate the expectations for our team.

Display good sportsmanship at all times. I understand that the players are learning to be good sportsmen and team players and are quick to copy all behavior they see on the field, particularly that of me in my position as manager or coach. I will show respect to my team's manager, coaches, players and parents and the opposing managers, coaches, players and parents at all times. The umpires and fans will also have my respect and I will respectfully take care of the playing fields, facilities and equipment that we use.

Be a positive contributor to KYA. I will be a positive and caring influence and an encouraging force in teaching the lessons of team play through sports to all the players I encounter.
