

Lincoln Park American Little League
4103 Merrick Ave
Dearborn Heights, MI 48125

Dear Potential Sponsor/Donor,

Lincoln Park American Little League is looking for sponsors for the 2016 season. Lincoln Park American Little League has been providing baseball and softball to the youth of the community children since 1953. We are a non-profit organization 501©3 recognized by the IRS. We operate completely on a voluntary basis and would greatly appreciate any and all support you may be able to provide.

We are in the process of looking for businesses or individuals to sponsor this year. We would appreciate and all support. All support is used for the general support of all participants at LPALL.

We would also like to let you know that we provide Baseball and Softball to any child who cannot afford to do so at the expense of the league. So no child is left behind when it comes to playing Little League. All monies and gifts raised are done purely on a voluntary basis and we get no help monetarily from the City of Lincoln Park, City of Wyandotte, Wayne County or Little League Baseball/Softball Inc.

You can email LPALLTreasurer@yahoo.com for any additional information.
