

America's Best Event Photography will be taking Royse City's soccer photos on Saturday, April 6th and Saturday April 13th at Stonebrook Learning Center. Here are some helpful tips to make your picture day an easy and successful one:

- Our customer service reps are in red shirts, and photographers are in blue shirts.
- Upon arrival, all coaches need to check in with our customer service reps to get a special order form for their coaches options and make sure we know their team is there. (We do not send out coaches forms ahead of time)
- For a Virtual photoshoot everyone will need an individual photo taken to be in your team photo, including all Coaches. If only needing to be in a team photo and not purchasing, see a customer service rep to get a "Team Only Form".
- This is a Virtual shoot. Which means we will build your team photo and put it together. So the whole team does not have to be there in order to start photos, but we do ask you to gather the team of who is there at your scheduled time and keep the team together as much as possible. If a teammate is late or needed to come earlier we will be able to squeeze them in between the other teams that are scheduled. See a customer service rep and they will be able to help assist you.
- We do recommend bringing a team soccer ball for the photos.
- Pictures will be delivered in 2-4 weeks. Any speciality items ordered may take 6-8 weeks for delivery.
