Sponsorship Application
EIN: 23-7424293

Town & Country PONY Baseball is a volunteer, non-profit organization that manages a six (6) field baseball complex for the purpose of a Youth Baseball Program for the Community. We function through the Spring and Fall seasons and All Star Tournaments, serving families and giving youths, ranging from 4 ½ to 16 years of age, the opportunity to participate in organized baseball each week.

The Baseball Program is supported by the following: Team Sponsors, Field Advertising Signs, Concession Stand Sales, Donations and Special Fundraising Programs. Our expenses include things such as Insurance, Uniforms, Baseball Equipment, Maintenance Supplies and Concession Stand Supplies.

Town & Country PONY Baseball is preparing for a great year. In order to achieve our goals and work with our sponsors, we have asked businesses to take advantage of this great advertising opportunity in our youth program in Tampa.
